August 24, 2019

*Northville Hills Golf Club
Northville, Michigan*

**Registration at 7 a.m.
Shotgun Start at 8 a.m.**

Linked in Friendship, Connected in Service

Dear Prospective Sponsor:

We are pleased to announce The Oakland County (MI) Chapter of The Links, Incorporated is hosting the “Pumps on The Green 2” Golf Scramble on Saturday, August 24, 2019 at the Northville Hills Golf Club in Northville, Michigan, to raise funds for our community service projects in the cities of Pontiac & Southfield. The Oakland County (MI) Chapter is one of 288 chapters worldwide of one of the oldest and largest volunteer service organizations of professional women of color.

Our fundraising efforts have helped us to create transformational programming, including: establishing a reading room at the Pontiac Public Library, donating a high tech whiteboard and establishing a clothes closet filled with school uniforms for the students at Pontiac Middle School, equipping a classroom at the Women’s Survival Center in Pontiac, and providing computer training as well as physical and fiscal fitness programs for Pontiac seniors. We’ve staffed local health and wellness fairs for the community and helped lead service and resourcing initiatives for schools in Jamaica.

In 2017, our chapter began introducing STEAM (science, technology, engineering, arts & math) to Pontiac’s Rogers Elementary and Pontiac Middle School students to heighten awareness of STEAM topics and careers to prepare the students for the future. Our chapter sponsored a variety of STEAM activities including a field trip to an automotive assembly plant on Manufacturing Day, hosting a STEAM Career Day and classroom activities to introduce the students to the field of engineering. In 2018, we decided to start working with students earlier in their educational career and began working with 4th graders at Pontiac’s Rogers Elementary while adding 4th grade students at Birney K-8 Elementary in the Southfield School District. Due to achievement gaps in math & reading programs at the Pontiac Middle School, we are sponsoring an in-class tutoring program for 6th through 8th grade students.

We are extending an invitation to you to participate in this wonderful golfing event by being a program sponsor which provides an opportunity for you to support our community service projects and increase your company’s visibility. Attached is a list of sponsorship opportunities and a golfer registration form which must be submitted no later than **August 9, 2019.**

We will contact you to follow-up on this request for your generous support of our community service initiative.

Sincerely,

Gwen Malone Rhodes

President

Oakland County (MI) Chapter of The Links, Incorporated

Linda Ware Smith, Chair & Cheryl Richardson, Co-Chair

Pumps On The Green 2 Golf Scramble

Don't golf? No problem.

Join the golf clinic and work with the golf pro.

Have a great time with others who are also learning the basics of the game. Spend time on the driving range, practice putting, learn new skills, but most of all HAVE FUN!

Golf Clinic starts at 9 a.m.

Don't have a foursome? No problem.

Individual golfers are welcome.

Prizes, Raffles & Silent Auction

Prizes for top scoring foursomes:

All Women • All Men • Mixed
